

Youth Mental Health Care Fund Mental Health Partner Directory

Welcome! This directory helps youth and families connect with mental health professionals who accept YMHAP Youth Mental Health Care Fund vouchers. Review each provider's services, age range, and contact information to find the support that best meets your needs.

Important: Families may choose a qualified provider not listed in this directory. ABHC does not supervise, monitor, or guarantee services provided by mental health professionals. Payments are made directly to approved providers.
